None so marked.		

1 JUDGE SAINSOT: By the authority vested in my  
2 by the Illinois Commerce Commission I now call Docket  
3 No. 07-0324, 07-0325 and Docket No. 07-0327. They  
4 are all petitions brought by the Illinois Department  
5 of Transportation against Commonwealth Edison Company  
6 and unknown owners and they are all eminent domain  
7 dockets.

8 Will the parties present identify  
9 themselves for the record, please.

10 MR. FELDER: Ys. Thank you. For the  
11 petitioner, Department of Transportation, my name is  
12 Doug Felder, F-e-l-d-e-r. My address is 203 North  
13 LaSalle Street, Suite 2300, Chicago, Illinois 60601  
14 and my phone number is (312)634-3509.

15 MR. GOLDSTEIN: On behalf of Commonwealth  
16 Edison Company, Mark L. Goldstein, 108 Wilmot Road,  
17 Suite 330, Deerfield, Illinois 60015. My telephone  
18 number is (847)580-5480 and I have with me today Mary  
19 Vincent of ComEd.

20 JUDGE SAINSOT: Mr. Goldstein, I believe you  
21 had something to say.

22 MR. GOLDSTEIN: Oh, yes, Judge. As I remarked

1 prior to going on the record, there has been  
2 substantial progress made by Commonwealth Edison and  
3 IDOT with respect to settling all of the issues that  
4 are involved in all of the eminent domain cases filed  
5 by IDOT against ComEd. On that basis, it would seem  
6 to me that these matters will end up in a written  
7 document or documents to which the parties will, of  
8 course, execute and that would be the end of these  
9 particular dockets and hopefully dockets going  
10 forward into the future.

11 Therefore, what I've proposed this  
12 morning is that these matters be continued to that  
13 evidentiary hearing date of August 16th, 2007, which  
14 was previously set by your Honor and in the meantime,  
15 if the appropriate documents are executed, I'm sure  
16 that Mr. Felder will file appropriate motions to  
17 dismiss and we'll be done with these matters at the  
18 Commission.

19 JUDGE SAINSOT: Do you have anything to add,  
20 Mr. Felder?

21 MR. FELDER: No. Only that, of course, if we  
22 settle these matters, then we'll come back with

1 appropriate documents. If we don't, as I indicated  
2 before, Judge when we set the matter for this status  
3 and the hearing in August, that we are on a schedule  
4 such that if we don't have our hearing and get a  
5 resolution from the Commerce Commission at the next  
6 hearing date, either by settlement or a hearing then,  
7 our multimillion dollar construction project will not  
8 meet its current letting for, I believe, it's  
9 September. So we would -- hopefully we will resolve  
10 it by settlement and if we don't, we will be prepared  
11 to proceed on August 16th at the hearing on this  
12 matter.

13 JUDGE SAINSOT: And you're asking me if you do  
14 have to go to hearing to proceed quickly after that?

15 MR. FELDER: I'll come in --

16 JUDGE SAINSOT: Politely, though.

17 MR. FELDER: Yes.

18 JUDGE SAINSOT: Very politely.

19 MR. FELDER: Yes. I think I'm reminding your  
20 Honor that that's what our discussion was earlier and  
21 I will come in with appropriate documents to try to  
22 expedite that.

1           JUDGE SAINSOT:   Okay.   Thanks.   Have a good day  
2   everybody.

3                               (whereupon, the hearing in the  
4                               above-entitled matter was  
5                               continued until August 16, 2007.)
